

## OKLAHOMA COUNTY

<http://oklahomacounty.org>

Click on “Search Land Records” (about 7 down on left hand side)

Click on “Registrar of Deeds Public Access” (on the right hand side)

Choose :Grantor/Grantee or Unplatted (on right hand side)

Put client’s last name a space and then first name in the “Grantee” section and scroll down and click search

Sometime you might need to vary the spelling if their name can be different. Once you get a list of names, you scroll through the names. If you find your client, click on the box next to their name and click “next step.” You will then see all liens, whether hospital/physician or other liens for them.
